

Thomas Terschluse (1967 – German) After finishing his professional trainee program at Volksbank eG, Thomas worked in the wealth management unit for German high net worth clients. In 1996, he was hired by Dresdner Bank Lateinamerika AG to advise the wealthiest clients in Private Banking. After the business integration of the Private Banking division into UBS Deutschland AG in 2005, Thomas worked as senior relationship manager for ultra-high net worth clients covering the Brazilian private banking market. In 2014, Thomas was appointed to lead the Brazil Desk of UBS Hamburg. In 2015 Thomas founded together with his co-founder Hannes Riekenberg the Atlan Family Office in Hamburg where he works as CEO. Thomas is also director of different regulated funds.
